**Effective  
Hand & Nail  
Care**

Dry skin and peeling cuticles can ruin the look of even a flawless nail design. To keep your manicure looking perfect, we apply our professional expertise and develop hand and nail care products that work.

# Hand Lotion

Effectively moisturizes, protects and improves skin elasticity. Active ingredients soothe the skin, promote cell regeneration and strengthen the cells' structure. The lotion leaves your hands smooth and moisturized. Ideal for daily use.

**200 ml — €9**

**30 ml — €6**
